MEDIA RELEASE

28th May 2024

SINGLETON BUSINESS AWARDS 2024 FINALISTS ANNOUNCED

After an extensive judging period, Business Singleton is thrilled to announce the finalists in the 2024 Singleton Business Awards.

With 52 businesses and individual finalist across 21 categories including our highly popular 'People's Choice', voted by the entire Singleton community and the Excellence in supporting the Veteran community, the 2024 Awards have officially surpassed previous years with more categories, finalists, and the most amount of entry submissions ever totalling 126 individual entries.

Business Singleton, President, Danny Eather congratulated this year's finalists and thanked everyone who has taken the time and effort to complete their submissions.

"We thought that last year's awards were impressive, however the response that we have received to this year's Business Awards has just been incredible, with just over 300 award nominations which has then converted into 126 formal submissions for our judging panel to assess is just incredible".

"In submitting formal entry into the awards judging process it allows a business or individual to be recognised for their achievements and importantly allows them to benchmark themselves against their peers which is crucial in the current environment where reputation and service levels are deciding factors for consumers when purchasing products and service from our local businesses". Added Mr Eather.

The 2024 Singleton Business Awards are proudly delivered by Business Singleton however this is only possible thanks to the volunteer judging panel and the support of our sponsors.

Business Singleton would like to acknowledge the support and sincerely thank our platinum presenting partners; AGL Energy, Glencore, Hollydene Estate Wines, Local Buying Foundation, Singleton Council, Yancoal – Mount Thorley Warkworth, NSW Mining, Hunter Valley Operations along with our supporting partners CPR Pest Management, TAFE NSW, Rotary Club of Singleton, Charter Hall Singleton Square and Supercar Superhero's.

All judges for the awards were highly successful businesspeople from throughout the Hunter region, who all volunteered their time to assess all entries and Business Singleton sincerely thanks them too for their contribution towards the Awards.

Winners of the awards, including the prestigious 'Business of the Year' award will be announced at the gala presentation event on Saturday 6th July 2024 at the Singleton Civic Centre.

Tickets for the gala are currently available to finalists as part of a pre-sale and tickets will be released to the general public at 5pm on 15th June 2024.
